ParrAPI Listings Inclusion and Exclusion Criteria

The information contained in this document is subject to change without notice and does not represent a commitment on the part of ParrAPI. ParrAPI makes no warranty of any kind with regards to this material. Whilst every effort has been made to ensure that the information contained herein is complete and correct, ParrAPI shall not be liable for errors contained herein or for incidental or consequential damages in connection with the furnishing, performance or use of this material. No part of this document may be photocopied or reproduced in any form without the express written consent of ParrAPI. Use of a term should not be regarded as affecting the validity of any trademark.

PARRAPI LISTING INCLUSION CRITERIA

The following section outlines the general listing criteria, applicable to all categories. This criteria excludes any entity who on-sells other products for non-travel related products. For further details on product exclusions, see ParrAPI Listing Exclusion Criteria.

Tourism Operator Definitions

A tourism operator is defined as having a business operating a business or event from the categories in the following pages. The operator must meet the criteria based on the definition provided before registering. Participating operators must be located and/or operate their business within Seychelles. For further details on ParrAPI product categories, see ParrAPI Product Categories & Types.

Leisure Tourism Focus

The product must provide a direct service or experience to the leisure tourist

Individual Business Listings

Each listing must only contain one product. Businesses operating multiple products from multiple categories must list each one independently within the relevant product category. For further details on ParrAPI categories, see ParrAPI Categories & Types.

One Accommodation Listing per Physical Property

Only one accommodation listing is allowed within each physical property.

Listing Updates

Product listings not updated for 12 months or longer will be disabled.

PARRAPI LISTING EXCLUSION CRITERIA

The following section outlines the general exclusions, i.e. listings that are not eligible on ParrAPI. These exclusions are applicable to all categories.

Websites/Virtual Businesses

A website/virtual business does not have physical premises that customers can walk in to and access the products and/or services. Instead customers view the products and/or services on the business's website(s) and place orders via the internet.

Exclusion Example – Websites/Virtual Businesses

A person, business or organisation, without a physical premise accessible to customers, that provides a direct or indirect Internet/web based information for placing bookings. The website/virtual business may or may not charge a service fee.

Travel Insurance

Travel insurance providers provide insurance to cover the eventualities of a period of travel away from home such as cancellations, flight delay, loss of luggage, medical costs, and theft of money and/or belongings.

Exclusion Example – Travel Insurance

A person, business or organisation, with a physical premise, where customers can purchase travel insurance for products and/or services. The travel insurance provider may or may not charge a service fee.

Human Resource Provider

Human resource/service providers supply a specific resource or service.

Exclusion Example - Human Resource Provider - Cleaning Service

A person, business or organisation, with or without a physical premise, providing a remote and/or static cleaning (e.g. premises, clothes, cars) service to customers. The cleaning service provider may or may not charge a service fee.
